Subject: Citizen Suit Request

Heidi,

Senator Feinstein's office has requested all NOTICE OF INTENT TO SUE and SETTLEMENTS (note: they have not asked for "complaints" or any other filings) filed by the following 4 citizen groups during the past three years:

- Northern California River Watch
- All Baykeepers (This includes all "keeper" groups, such as LA Waterkeeper, San Diego Coastkeeper, SF Baykeeper, etc.)
- California Sportfishing Protection Alliance ("CSPA")
- Our Children's Earth

From our previous FOIA request, I have a batch of NOIs. The oldest NOI I have a copy of is Simpson and Helping Hand Tools vs. State of California Dep't of Parks and Recreation, dated January 18, 2002. So there is no need for you to reproduce NOIs submitted subsequent to this one. I do not have copies of any Settlements, however, so we will need to make copies of all Settlements during this three year period involving the 4 groups mentioned above.

Let me know if you have questions or would like assistance in pulling the files.

Thanks!

Mike
